

Ella-Grace Trudeau Upstages Prime Minister Dad At CP Train Event

A train horn failed to work, but she took it in stride.

CALGARY — Prime Minister Justin Trudeau was upstaged by his eight-year-old daughter Ella Grace as the CP Canada 150 train chugged into Calgary from B.C. on Sunday.

Prior to Trudeau speaking, CP Rail President Keith Creel told the audience that the railway had created a special train horn 50 years ago to celebrate Canada's

RELCO rebuilt this historic locomotive in 2017.
